There is no charge for residents of Glen Innes Severn Local Government Area (LGA) to dispose of domestic quantities of clean fill, sorted domestic waste (comprising at least 1/3 sorted recyclables), oil and white goods which are certified as de-gassed. Recyclables include paper/cardboard, glass, plastic (PET, HDPE), aluminium, steel & vehicle batteries. Charges apply for disposal of unsorted domestic & commercial waste, green waste, white goods (if not certified as de-gassed), tyres & asbestos. Asbestos is only accepted with prior notice at Glen Innes Landfill.

Changes to landfill opening days and hours are advertised on Council's website and the Glen Innes Examiner.
